

8/3/81

Fred & Doug B.,

Attached is a description of five
bolt action rifle models Marketing
has proposed for a Market Research
study. Joe Glas wants to know how
soon we could have a model of each
for the study - ASAP. (over)

Please do what you can to
determine when we could have ready.
Clark W. will probably want to
discuss when he returns to work next
Monday (8/10).
