SUBJECT: MODEL REQUIREMENTS - MODEL 700 RESTYLE

To confirm our conversation of this week, model requirements for the revised Model 700 product line are listed below. For planning purposes, the promotional Model 700 is referred to as a Model 700 A. This, of course, is subject to revision.

Model 700-A: (1984 Introduction)

Action

- Model 700 without detachable floor plate.
- No bolt lock; no jeweling on bolt.
- Stamped trigger guard (possibly long as Model 721).
- Model 788 sights.
- Stamped no bind follower.

Stock

- Birch, Classic style.
- No grip cap, fore-end, spacers, sling swivel studs, or checkering.
- Model 788 butt plate.
- Model 788 type wood finish.
