SUBJECT: MODEL 700 RESTYLE DESIGN REQUIREMENTS

We would appreciate an answer on several items needed to firm up requirements on this model:

- o Material to be used for the fore end tip on the BDL model. (Rosewood or fancy walnut)
- o Model Four shape grip cap in one piece like present BDL with present BDL checkering pattern or an insert with the BDL checkering pattern for the Model Four grip cap.
- o Barrel length for 223 Caliber on ADL.
- o Is 7mm Express dropped or was it left out inadvertently?
