MODEL SEVEN UPDATE

Attached are a series of letters we sent to various customers asking for information to keep our files up to date. In general they are:

- Letter to customer requesting new owner information.
- Letter to dealer requesting name and address of consumer.
- Letter to wholesaler requesting name and address of dealer.
- Letter to warranty gun shop asking for confirmation of update.

We will continue to make every effort to contact wholesalers, dealers and consumers by mail and phone to complete this project as soon as possible.
