PETER

"CONFINE YOUR LETTER TO ONE SUBJECT ONLY"

July 18, 1985

Responsibility: R.S. Murphy

Program: NBAR Detachable Magazine

Objective: To provide a single center feed detachable magazine

Goals: o magazine capacities equivalent to the current magazine
o 50% fewer feeding malfunctions
o producible at a reasonable cost

Stake: o increased sales

Status: The long action follower, box and bottom have been designed as well as the short action follower and box. Ten bottoms have been made and an order for 50 long action boxes has been placed.

Program Timing: o fabricate and purchase components
o assemble
o developmental testing
o redesign
o developmental testing
o redesign
o fabricate components
o design acceptance testing
o check CY drawings
