Handwritten notes and diagrams. The text "ACQUA ELETTRA VALLENTIN MERY" is visible on the right side of the diagram. The diagram shows a cross-section of a mechanical part, possibly a valve or a pump, with various components labeled with handwritten text and numbers. The text "X" is repeated several times, likely indicating specific points of interest or measurements. The diagram is oriented vertically, with the main body of the part on the left and the internal components on the right.
