Dear Remington, (PROPERTY DAMAGE)

I own a 1 year old Remington 700 22-250 bolt action rifle. Yesterday while showing a friend who wished to borrow it to hunt groundhogs how to load and unload it, it went off accidentally. I pushed the safety from safe order 1

will cover all but \$100 of the

damage

I'm writing you asking that you reimburse

me that amount due to the
faulty action of your gun.
I've sent the gun to a
gunsmith to correct the
apparent problem. I'll send
his statement later.

Witness to the mis-firing
were:

1.) Mr. Robert Kisselburg
