SUBJECT: TRANSMITTAL OF DRAWINGS

MODEL 700

Enclosed herewith _____ copies of the following:

NAME All component parts drawings as shown on the DWG. NO. _____
Sketches revised parts list.

TRANSMITTAL OF PARTS LISTS

REMARKS

General revisions to bring drawings up-to-date: Corrected Grade designations from "A" to "ADL" and from "ADL" to "BDL". Deleted "add-use" for 350 Rem. Mag. ~~insert appropriate grade designation~~. C-26325 Bolt Assembly revised to add black oxide to BDL Grade and changed part numbers to be common with ADL Grade. Corrected dimensional error on Bolt Stop Release drawing and changed reference to this part number on trigger assembly drawing. Stock 22-26390 changed safety clearance cutter diameter to .12" Increased Sling Keeper thickness to .090-.120". Added Brazing Preform to Safety Assembly.
