TFA-3

Technical drawing of a mechanical part, showing a cross-section and a side view.

Cross-section (Left):

- Outer diameter: 190
- Inner diameter: 185

Side View (Right):

- Overall length: 550
- Outer diameter: 540
- Internal hole diameter: 125
- Internal hole diameter: 123
- Internal hole diameter: 100
- Internal hole diameter: 95
- Internal hole diameter: 150
- Internal hole diameter: 140
- Internal hole diameter: 130
- Internal hole diameter: 120
- Internal hole diameter: 110
- Internal hole diameter: 100
- Internal hole diameter: 95
- Internal hole diameter: 85
- Internal hole diameter: 80
- Internal hole diameter: 75
- Internal hole diameter: 70
- Internal hole diameter: 65
- Internal hole diameter: 60
- Internal hole diameter: 55
- Internal hole diameter: 50
- Internal hole diameter: 45
- Internal hole diameter: 40
- Internal hole diameter: 35
- Internal hole diameter: 30
- Internal hole diameter: 25
- Internal hole diameter: 20
- Internal hole diameter: 15
- Internal hole diameter: 10
- Internal hole diameter: 5
- Internal hole diameter: 0

Notes:

- MAX. ECCENTRICITY .008
- DIAL READ. .004
