1 SPS Turkey Guns supplied with Turkey Super Full and Improved Cylinder Rem™ Choke tubes.

2 Rifle sighted Rem™ Choke Deer Guns supplied with Rifled and Improved Cylinder Rem™ Choke tubes.

\*These Model 11-87™ guns are not equipped with a pressure compensating gas system. Target barrels are intended for use with target ammunition only (3-1/4 dr. powder, 1-1/4 oz. lead shot - max). Deer and turkey barrels are not intended for light loads.

**Note:** The fore-end of a light contour Model 11-87™ may not fit over a standard contour extra barrel. Alteration to the LC fore-end or the use of a standard Model 11-87™ fore-end may be required. Light Contour Model 11-87™ extra barrels fit all Model 11-87™ shotguns.

**Model 1100™ Autoloading Shotguns**

**STANDARD CONDITIONS OF SALE****PRECEDENCE**

Remington's Standard Conditions of Sale set forth herein shall be included and made part of any agreements, contracts, or purchase orders for products marketed by Remington ("Products") accepted by Remington, and will supersede and take precedence over any conflicting terms and conditions, stated or implied, that are or may be requested in any contract, purchase order or other documents.

**ACCEPTANCE OF ORDERS**

All orders, whether solicited or unsolicited, are subject to acceptance, in whole or in part, upon receipt by Remington in Wilmington, Delaware. Remington reserves the right to reject any order, in whole or in part, without incurring any liability for any such rejection. Should any part of an order be rejected, Remington will ship the remainder under prevailing terms and conditions of sale, and Purchaser will accept the delivery and pay for all Products that are included in the portion of the order accepted by Remington.

After acceptance, Remington will attempt to ship all orders as requested; however, should situations arise that result in delays or nondelivery, Remington will be under no liability for any delays or failure to ship or complete any orders or parts thereof, when such failure is due to circumstances, causes, and/or contingencies beyond Remington's control, including, but not limited to Acts of God, fire, explosion, flood, war, act of or authorized by any government, accident, equipment failure, labor trouble or shortage, inability to obtain material, equipment or transportation. Quantities so affected may be eliminated from any order without liability. The remainder of any order shall otherwise remain unaffected. Remington shall have no obligation to purchase supplies of the Product to enable it to perform shipment of any order.

Remington reserves the right to discontinue product lines and to make changes to products offered at any time and will be under no liability for any such discontinuance or change.

**APPORTIONMENT**

If for any reason Remington is unable to supply the total demand for any Products, Remington may distribute its available supply among any and all of its customers, as well as departments and divisions of Remington, on such basis as it may deem fair and practical, without liability for any failure of performance which may result therefrom.

**GOVERNMENT ACTION**

If any government action should place or continue limitations on the price of any product such that it would be illegal or against public or government policy for Remington to change, access or receive the full amount of or to increase such prices as determined by the current price lists and these Standard Conditions of Sale, then Remington shall have the option

- (1) to continue to perform subject to such adjustments in prices that Remington may deem as necessary to comply with such government action,
- (2) to revise the price lists and Standard Conditions of Sale, subject to Purchaser's approval, in order to most nearly accomplish the original intent of the sales agreement,
- (3) to terminate performance of the affected portions of the sales agreement without any liability for any damage.

**PRICES**

Manufacturer's Selling Prices for Products are as listed in current Price Lists and supersede all prices that were previously in effect or have been previously quoted.

All orders on file and all orders accepted by Remington shall be subject to prices in effect on date of shipment.

U.S. Federal Excise Tax is included where applicable. Prices are subject to change at any time without notice.

All resale prices set forth in Remington Price Lists are suggested prices only.

Purchaser shall reimburse Remington for all taxes, excise or other charges which Remington may be required to pay to any government (national, state, or local) upon the sale, production or transportation of the Product sold to the Purchaser.

**BACKORDERS**

Remington will attempt to ship all product items available on accepted orders on requested shipping dates and will create a backorder for any unshipped balance unless specifically indicated on the original purchase order that backorders are unacceptable. Remington will continue to ship against the open balance of the remaining backorder unless a written cancellation request is received 15 days prior to shipment.

All backorders with the exception of Custom Guns and specially contracted purchases will be cancelled on December 31, 1996.

**CANCELLATIONS**

Cancellation of orders or backorders must be made in writing by letter or fax to:

Remington Arms Co., Inc.  
Customer Service  
Delle Donne Corporate Center, Room 310A  
1011 Centre Road  
Wilmington, DE 19805-1270  
FAX: 302-993-8688

Written cancellations must be received at least 15 days prior to shipment. If a cancellation is not received in time and Remington makes shipment of the Product, a 15% restocking charge will apply to any return.

Orders for Custom Guns or specifically manufactured products are subject to special quotation, and any subsequent accepted order for such Products are non-cancellable.

**PACKAGING AND MARKINGS**

All orders will be shipped in standard packages and case quantities. Remington reserves the right to revise order quantities to standard pack levels.

Orders calling for any special packaging or special marking will be subject to additional service charges. All Product labeling, literature and instructions on or packed with any Product must be passed on by Purchaser to its customers of all Products.

**FREIGHT**

Products are shipped F.O.B. Remington factory or warehouse. Title and risk of loss passes to Purchaser at point of shipment. Freight charges are prepaid to Purchaser's shipping address to points in the continental United States. Shipments to Alaska and Hawaii, freight is prepaid to points of embarkation in the Continental U.S.

Remington retains the right to make and route shipments in the most practical and safe manner as determined in its sole discretion regardless of any special routing instructions listed on any purchase orders. Special routing or rapid delivery requests will be prepaid and charges added to the invoice.

Remington will make every reasonable effort to meet requested ship dates and to instruct carriers to schedule delivery as requested on purchase orders. However, legal detention, redelivery, and reconsignment charges assessed by any carrier will be the responsibility of the consignee.

Shipments to shipping destinations other than authorized shipping locations, (drop shipments) when expressly allowed are subject to a 5% service charge. State Tax Exemption Certificates must be provided for any alternate shipping destination.

**SHORTAGE, DAMAGE AND NON-DELIVERY CLAIMS**

Shipments involving shortages, damage, non-delivery, or concealed shortage are the responsibility of the Purchaser or consignee and claims must be filed directly with the delivering carrier within 15 days of delivery or as prescribed by the U.S. ICC. It is the Purchaser's responsibility to carefully inspect all shipments to insure proper receipt. Inspection should include verification of total number of cartons, exterior condition and agreement with packing lists. If Purchaser finds any sign of damage or discrepancy upon inspection and receipt, this must be noted on all copies of the carrier's delivery receipt.

Remington will not be responsible for any losses from damage or pilferage in transit. Remington will assist with filing any claim after receiving all documentation from Purchaser within 30 days of delivery.

Remington will provide proof of shipment upon request. If Purchaser requests proof of delivery, this may be subject to a service charge of \$25.00 at Remington's option. The service charge may be waived if delivery was not completed.

Purchaser must notify Remington within 60 days of date of invoice of any irregularities or dissatisfaction regarding quantities shipped, terms, discounts, or conditions of sale. Otherwise, it will constitute complete Purchaser acceptance of the order as shipped and invoiced and a waiver of all claims with respect to such Products.

No claim against Remington of any kind hereunder, whether or not based on negligence, shall be greater in amount than the purchase price of the Products in respect of which any damages are claimed.

Short payment of invoices or credit deduction for any transportation claim or shortages is expressly prohibited.

**RETURN GOODS**

All product to be returned for invoice credit must be authorized by the Remington Customer Service Department. Authorization includes Return Goods Authorization (RGA) number and mailing labels for products to be returned. When requesting authorization, Purchaser must provide a reason for the return and an invoice number if available. Unauthorized returns will be refused and returned at Purchaser's expense. Return of discontinued or close-out merchandise will not be accepted under any circumstances.
