STANDARD CONDITIONS OF SALES

PRECEDENCE

All agreements, contracts, and purchase orders after December 1, 1996, for products marketed or sold by Remington shall include and incorporate these Standard Conditions of Sales (SCS), and said SCS shall supersede and take precedence over any conflicting terms and conditions in any previous agreement, contract, or purchase order. Remington reserves the right to amend these SCS at any time during after December 1, 1996.

ACCEPTANCE OF ORDERS

All purchase orders, whether solicited or unsolicited, are subject to acceptance, in whole and in part, upon receipt by Remington in Madison, North Carolina, and Remington reserves the right to reject and/or not to accept any order, in whole or in part, without incurring any liability for any such rejection. Should any part of an order be rejected or not accepted by Remington, Remington reserves the right to ship the remainder under prevailing terms and conditions of sale, and, if shipped, Purchaser agrees to accept the delivery and pay for all Products included in the portion of the order accepted by Remington. Remington shall not be liable for failing to make prompt delivery when such failure is due to circumstances, causes, and/or contingencies beyond Remington's control, including, but not limited to, acts of God, fire, explosion, flood, war, act of or authorized by any government, accident, equipment failure, labor trouble or shortage, inability to obtain material, equipment, or transportation. Quantities so affected may be eliminated from any order without liability. The remainder of any order shall otherwise remain unaffected. Remington shall have no obligation to purchase supplies of the Product to enable it to perform shipment of any order. Remington reserves the right to discontinue product lines and to make changes to products offered at any time, with or without notice, and will be under no liability for any such discontinuance or change.

APPORTIONMENT

If for any reason Remington is unable to supply the total demand for any Products, Remington may distribute its available supply among any and all of its customers, as well as departments and divisions of Remington, on such basis as it may deem fair and practical, without liability for any failure of performance which may result therefrom.

GOVERNMENT ACTION

If any government action should place or continue limitations on the price of any product such that it would be illegal or against public or government policy for Remington to charge, access or receive the full amount of or to increase such prices as determined by the current pricing and this agreement, then Remington shall have the option (1) to continue to perform subject to such adjustments in prices as Remington deems necessary to comply with such government action, (2) to revise the pricing and agreement, subject to Purchaser's approval, in order to most nearly accomplish the original intent of the agreement, or (3) to terminate performance of the affected portions of the agreement without any liability for any damage.

PRICES

Manufacturer's selling prices for Products are described in Remington's current applicable Price Lists and supersede all prices previously in effect or previously quoted. All orders on file and all orders accepted by Remington shall be subject to prices in effect on date of shipment unless otherwise agreed in writing by the parties. U.S. Federal Excise Tax is included where applicable. Prices are subject to change at any time without notice. All resale prices set forth in Remington's Price List are suggested prices only. Purchaser shall reimburse Remington for all taxes, excise or other charges, if any, which Remington may be required to pay to any government (foreign, national, state, or local) upon the sale or transportation of the Product sold to the Purchaser.

BACKORDERS

Remington will attempt to ship all Product orders on the requested shipping dates and will create a backorder for any unshipped balance unless specifically indicated on the original purchaser order that backorders are unacceptable. Remington will continue to ship against the open balance of the remaining backorder unless a written cancellation request is received 15 days prior to shipment. All backorders will be canceled on December 31, of each year.

CANCELLATIONS

Cancellation of orders or backorders must be made in writing by letter to:

Remington Arms Company, Inc.
Attention: Customer Service
Post Office Box 700
870 Remington Drive
Madison, North Carolina 27025-0700
Fax: 910-548-7700

Purchaser may cancel an order or backorder if the Customer Service Representative receives the cancellation request prior to shipment. Purchaser may not cancel an order or backorder after shipment. If Remington agrees, at its discretion, to accept a cancellation after shipment, Purchaser agrees to pay a restocking charge of 15% of the invoice amount. Orders for custom products or specifically manufactured products ("Special Products") are subject to special quotation, and may not be cancelled after acceptance of the order by Remington unless Remington consents to the cancellation in writing.

PACKAGING AND MARKINGS

All orders will be shipped in standard packages and case quantities. Remington reserves the right to revise order quantities to standard pack levels. Orders calling for any special packaging or special marking may be, at Remington's option, subject to additional service charges. All Product labeling, literature and instructions on or packed with, or associated with any Product must be passed on by Purchaser to its customer.

FREIGHT

Products are shipped F.O.B. Remington factory or warehouse. Title and risk of loss passes to Purchaser at point of shipment for all shipments unless expressly agreed to otherwise by Remington in writing. Freight charges are prepaid to Purchaser's shipping address to points in the continental United States and prepaid to points of embarkation in the Continental U.S. for shipments to Alaska and Hawaii. Remington retains the right to make and route shipments in the most practical and safe manner as determined in its sole discretion regardless of any special routing instructions listed on any purchase orders. Special routing or rapid delivery requests will be prepaid with charges added to the invoice. Remington will make every reasonable effort to meet requested ship dates and to instruct carriers to schedule delivery as requested on purchase orders. However, legal detention, redelivery, and reconsignment charges assessed by any carrier will be the responsibility of the consignee. Shipments to destinations other than authorized shipping locations (drop shipments), when expressly allowed in writing, are subject to a 5% service charge. State Tax Exemption Certificates must be provided for any alternate shipping destination.

SHORTAGE, DAMAGE AND NON-DELIVERY CLAIMS

Shipments involving shortages, damage, non-delivery, or concealed shortages are the responsibility of the Purchaser or consignee, and claims must be filed directly with the delivering carrier. Purchaser is responsible for promptly and carefully inspecting all shipments to insure proper receipt. Inspection should include verification of total number of cartons, exterior condition and agreement with packing lists. If Purchaser finds any sign of damage or discrepancy upon receipt and inspection, Purchaser must note the discrepancy on all copies of the carrier's delivery receipt. Remington will not be responsible for any loss, damage or pilferage occurring after shipment. When such loss, damages, or pilferage does occur, Purchaser must file its claim with the carrier. Purchaser must notify Remington in writing within 60 days of date of invoice of any Product irregularities or dissatisfaction of any kind including quantities shipped, terms, discounts, or conditions of sale. Failure to provide this written notice will constitute complete acceptance by Purchaser of the Product order as shipped and invoiced, and will constitute a waiver of all claims with respect to such Products. Any claim for damages against Remington of any kind pursuant to or in connection with this agreement, any purchase order or the Products, in any manner, whether based on negligence, contract or any other cause of action, shall be limited in damages and recovery to an amount not to exceed the purchase price of the Products. Short payment of invoices or credit deduction for any transportation claim or shortages is expressly prohibited.

RETURNED GOODS

Remington Customer Service Department must approve in advance all invoice credits prior to the return of defective or improper Products. Purchaser may not return any Products under this provision without first receiving and then using a Return Goods Authorization (RGA) number and Product mailing labels as provided by Remington. When requesting authorization, Purchaser must provide the reason for the return and the invoice number. Unauthorized returns will be refused and returned at

Purchaser's expense. Return of discontinued or close-out merchandise will not be accepted under any circumstances. If the Product return is due to Purchaser's error, the credit invoice may be subject to a 15% restocking charge. Under these circumstances, Purchaser must return the products freight prepaid. Collect shipments may be refused at Remington's sole option. Once all documentation is complete, Remington will credit purchaser's account within 30 days of receipt of the authorized return. Remington will base any credit to purchaser's account on the original purchase price including applicable discounts. Remington may separately invoice restocking charges, if any, at Remington's option. Remington expressly prohibits short payment of an invoice or credit deduction in anticipation of a credit invoice.

WARRANTIES

Remington warrants title to Products sold hereunder and that such Products are of merchantable quality within the meaning of the North Carolina Uniform Commercial Code. Remington warrants that the use or sale of the Products will not infringe upon any United States patent covering the Products themselves; but Remington does not warrant against infringement by reason of the use of Products in combination with other products or in the operation of any process or after transformation or modification by Purchaser. ANY LIABILITY OF REMINGTON UNDER THIS WARRANTY CLAUSE SHALL BE LIMITED TO REPAIR OR REPLACEMENT OF THE PRODUCT. UNDER NO CIRCUMSTANCES SHALL REMINGTON BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES WHATSOEVER. REMINGTON MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, AS TO ANY MATTER WHATSOEVER. Remington specifically reserves the right to inspect all Products alleged to be defective for evidence of misuse or abuse, and to determine whether, in Remington's sole determination, a repair or replacement of any such Product is due. All warranties under this provision are limited to Purchaser only and are unassignable, and shall not extend or apply to any third party.

PAYMENT TERMS

All payment terms and cash discounts including anticipation discounts, are as per invoices issued for each shipment of Products and discounts are based solely on invoice and payment dates. Payment date is the date payment is received by Remington's bank. Payment of invoices is required by due date; however, any invoice subject to anticipation dating terms may be paid early subject to the discount schedule set forth with the applicable sales program. To insure proper payment application against open balances, a remittance advise, including customer account number, invoice number and date must be sent to the address noted on the invoice. Invoices not paid on due date are subject to a late payment service charge. Late Payment Service Charge shall be at a rate of 1.5% per month or 18% per annum or legal maximum if less. Accounts must be paid promptly when due. Any past due invoice will automatically make all outstanding amounts due and payable immediately regardless of payment terms or due date, and Remington may request payment of the entire account. In addition, Remington may request that the Purchaser recognize all past due amounts via an interest-bearing note secured by collateral deemed appropriate by Remington. All costs to effect such security, including UCC-1 filings, shall be paid by the Purchaser. Subsequent orders may not be shipped until the account is current. In the event Purchaser fails to fulfill Remington's terms of payment or in the case Remington shall have any doubt at any time as to Purchaser's financial responsibility, Remington may decline to make any further deliveries to Purchaser. In the event of any change in ownership, including but not limited to sale, transfer, merger or ceasing of operations, all outstanding invoices, regardless of terms of sale or payment date, shall become due and payable immediately. Any deviation from this provision will be at the sole discretion of Remington and must be agreed to by Remington in writing. Any invoice dispute must be submitted to Remington in writing within 60 days of the invoice date. Disputes will be reviewed provided Purchaser provides documentation including invoice numbers, dates and reasons for the dispute. Resolution of invoice disputes will be provided by Remington within 60 days after receipt of written documentation and after verification will be credited to Purchaser's account if invoice disputes are found to be correct. If not correct, Remington may request additional documentation. Purchaser may not deduct any amount from invoice payment because of an invoice dispute or in lieu of reimbursement for any discount, allowance, and/or credit adjustment.

EXPORTS

Remington's International Division has distribution systems in place for Products in most foreign countries. Purchaser may not export Products or sell Products to any customer who Purchaser knows will export Products outside of the United States.

CONFORMITY WITH LAWS AND REGULATIONS

Purchaser of Products agrees to conform with all applicable Federal, State and Local laws, regulations and ordinances concerning the purchase, possession, storage, transportation and resale of all Products. Purchaser specifically agrees to furnish Remington with a signed, certified copy of the Federal Firearms License applicable to the destination or destinations for multi-locations before Remington will ship any firearms. Purchaser also agrees to furnish a new, signed copy of the Federal Firearms License when it is renewed. If at any time, and for any reason, a Federal Firearms License is revoked or is allowed to expire without timely renewal, the Purchaser specifically agrees to notify Remington immediately. Remington will suspend all shipments to the Purchaser until such time as the signed copy of the license is received by Remington. Remington reserves the right to terminate all orders and agreements with any Purchaser who fails to provide a signed copy of a Federal Firearms License or whose Federal Firearms License is revoked by the United States Government. Purchaser agrees to furnish Remington with a certified copy of a Tax Exemption Certificate. If Remington does not have a certified Tax Exemption Certificate on file, applicable sales tax will be applied to all accepted purchase orders and added to all invoices. Purchaser may not deduct any amount from invoice payment because of a sales tax dispute or in lieu of reimbursement for any sales tax, allowance, and/or credit adjustment.

CHOICE OF LAW

Any controversy or claim arising or relating to these Standard Conditions of Sale, or to any agreements, contracts, or purchase orders in which these Standard Conditions of Sale are included and made a part, or any breach thereof, shall be governed by the laws of the State of North Carolina.

PURCHASER OBLIGATIONS AND RESPONSIBILITIES

Purchaser agrees to pay all accounts when due, and acknowledges that Remington may refrain from accepting or shipping additional orders until all accounts are paid in full when due. Purchaser agrees to indemnify, reimburse and hold harmless Remington from any and all attorney fees and costs incurred by Remington as the result of Purchaser's breach of any obligation or provision under this agreement. Purchaser agrees and covenants to provide to Remington reasonable supporting financial information, as requested, sufficient to demonstrate Purchaser's ability to pay the purchase price for the purchased Products. Such financial information may include, but is not limited to, complete financial statements, bank and trade references, insurance certificates, personal guarantees and standby letters of credit. Purchaser agrees to furnish updated financial information on an annual basis, any time Purchaser incurs a material change in its financial status, and at any reasonable time upon request. Purchaser authorizes Remington to receive support information and to discuss Purchaser's financial condition with third parties to verify the provided information.
