- The best high-performance shotgun slug in the industry.
- The only bonded shotgun slug on the market - near 100% weight retention.
- Remington® patented spiral nose cuts ensure near 2x expansion.
- Flat Trajectory - 10% flatter than competition.
- Deeper Penetration through bone and tissue.
- High Ballistic Coefficient due to sleek ogive design.
- Designed for use in fully-rifled barrels.

PREMIER® COPPER SOLID™ SABOT SLUG LOADS

(Packed 5 Rounds Per Box, 20 Boxes Per Case, 100 Rounds Per Case)

Index Number	Order Number	Order Qty	Gauge	Shell Length	Dram Equiv.	Velocity	Slug Wt. (Oz.)	Slug Type	Avg. Wt. Per Case	UPC 47700 Box No.	UPC 47700 Case No.	Manufacturers Per Box	Selling Price Per Case

- Hollow-point nose section provides reliable and uniform expansion with 100% weight retention.
- The hollow-point cavity is formed by six, separate petals in an inwardly-curved, spiral design.
- Upon impact, petals mushroom open quickly to twice the diameter of the 58-caliber slug body.
- Consistently produce groups of 2 1/2 inches or less from Remington's fully-rifled slug barrels at 100 yards.
- Designed for use in fully-rifled barrels.

BUCKHAMMER® LEAD SLUG LOADS

- The hardest-hitting, most accurate, highest energy lead slug line.
- Devastating mushroom performance.
- Heaviest lead slug line.
- Extremely accurate in all loads.
- Lethal energy out to 150 yards in 12ga., 100 yards in 20ga.
- Nearly 100% weight retention.
- Designed for fully-rifled or rifled choke tube barrels.

Slug Type Description: ALS = Accurized Lead Slug / CSHP = Copper Solid Hollow Point / CLHP = Core-Lokt® Hollow Point

- Heavier Than Lead® – Tungsten-Nickel-Iron alloy.
- Higher pellet energy – 3 shot sizes smaller than steel.
- Denser patterns – 18% tighter patterns than steel.
- 54% denser than steel.
- Fully approved by US Fish & Wildlife and Canada.
- "B" size Hevi-Shot® pellets. Ideal Goose loads.
- 20 gauge, 2 3/4" 1 ounce allows the 20 gauge, 2 3/4" chambered shotgun to be a legitimate Duck gun again. Excellent choice for young hunters.
- Special polymer shot container protects barrels.
- A Remington® exclusive.

- Complete line from Heavy Payload to High Velocity, 10ga to 20ga.
- Features Zinc Galvanized steel shot to prevent corrosion and "clumping."
- Versatility to handle everything from small ducks to Greater Canada Geese.
- Wetproof™ primer and crimp sealing locks out moisture.
- Broad range of specifications for all non-toxic hunting situations.
- Increased velocity allows shorter leads, while delivering greater reach, denser patterns and higher down-range energy for superior knockdown power.
- Special polymer shot container protects barrels.

NOTE: In T and BBB, shot charge is determined by pellet count rather than weight. The approximate pellet counts are: NS10M: T-88, BBB-102; NS1235: T-81, BBB-94; NS12HM: T-68, BBB-78; NS12M: T-62, BBB-72, NS1235HV: T-71, BBB-83

- New softer-recoiling Nitro 27 loads.
- All skeet, trap and sporting clays loads feature the exclusive STS mouth design.
- Skive depth is increased to 1/2", travels beyond the hinge point of the crimp, greatly reducing the angle of taper.
- Improved ease of reloading, smoother wad insertion, less force required to crimp, higher crimp memory.
- Most reloadable hull on the market.
- Less crimp opening resistance for wad and shot reduces disruption of shot column, improves pattern distribution, density and reduces felt recoil.
- Reload w/ Remington Fig. 8S, TGT12S, RXP12, RXP20, PT28, SP410 Power Piston® one-piece wads.
- For best results use the STS System: Hull, Primer, Wads, & Shot

- Impressive line of big-game loads that provide polymer tip ballistics with bonded weight retention.
- Polymer tip and boat tail base combine to defy air resistance at one end and reduce drag at the other; results in remarkably flat trajectories.
- Progressively tapered copper jackets are bonded to lead cores for controlled expansion and more than 75% weight retention.
- Precise concentricity and secant ogive nose produce match-type accuracy.

Available in a number of styles, including:

CORE-LOKT® SOFT POINT

- Provides superior penetration and controlled expansion on medium and heavy game.
- Heavy jacket mid-section locks the lead core and jacket together and stops expansion at optimum point for maximum energy transfer.
- Bullet remains intact upon impact, expands in controlled manner and mushrooms uniformly to nearly twice its original diameter.

CORE-LOKT® POINTED SOFT POINT

- Features sleek nose profile for higher ballistic coefficient and flatter trajectory at longer ranges.
- High retained down-range energy and controlled expansion on impact make this the perfect choice for medium to heavy game.

POWER-LOKT® HOLLOW POINT

- Offers long-range pinpoint accuracy.
- Copper jacket electrolytically plated to lead core, forming a perfectly balanced, concentric projectile for true flight.
- Superior accuracy and rapid, total expansion make Power-Lokt® ideal for long-range varmint shooting.
- Instant break-up eliminates ricochet.

- High-performance jacket (HPJ) handgun ammunition built around revolutionary hollow-point bullet design.
- Offers match grade accuracy, maximum expansion, deep penetration and virtually 100% weight retention.
- Jacket made entirely of cartridge brass, which releases energy over longer distance while mushrooming.
- Spiral nose-cut feature permits mushrooming at lower velocity without sacrificing penetration or terminal performance.
- Primer and mouth waterproofing standard.
- Cases nickel-plated for reliable feed, function and extraction.

CORE-LOKT® HIGH-PERFORMANCE CENTERFIRE PISTOL/REVOLVER HUNTING CARTRIDGES
(Packed 25 Rounds Per Box, 20 Boxes Per Case, 500 Rounds Per Case)

- Rapid mushrooming to over 1.6x original bullet diameter.
- Nickel-plated cases assure reliable extraction in all actions.
- Primer and mouth waterproofed for weather and storage reliability.
- Spiral nose cuts and thick jacket control mushroom for maximum energy transfer.
- 454 Casull features bonded Core-Lokt® Ultra bullet that delivers:
 - near 100% weight retention
 - controlled 1.6X expansion
 - deep penetration

BULLET STYLE DESCRIPTIONS: BJHP = Brass Jacketed Hollow Point / JHP = Jacketed Hollow Point

NOTE: (+P) on the case head stamp is loaded to higher pressure. Use only in firearms designated for this cartridge and so recommended by the gun manufacturer.

**22 SHORT AND 22 LONG HIGH VELOCITY:**

- Perfect for small-game hunting or plinking.
- Golden™ bullet cartridges chamber easily and shoot clean.
- Available in shorts, longs and long rifle.
- 36-gr. plated hollow point bullet.

**VIPER® HIGH VELOCITY 22 LONG RIFLE:**

- Offers optimum accuracy and on-game energy.
- 36-gr. truncated-cone solid bullet.
- Muzzle velocity is 1410 fps.

**YELLOW JACKET® HYPER VELOCITY 22 LONG RIFLE:**

- Like the Viper Hyper Velocity 22, this cartridge offers optimum accuracy and on-game energy.
- 33-gr. truncated-cone hollow-point bullet.
- Muzzle velocity is 1500 fps.

**TARGET STANDARD VELOCITY 22 LONG RIFLE:**

- Reliable long rifle target load with consistent velocity.
- Features solid lead bullet that delivers superior accuracy.
- Packed in 50 and 100-round boxes.

**22 THUNDERBOLT® LONG RIFLE:**

- Long rifle 22 offers high performance at an economical price.
- Features 40-gr. lead solid bullet.
- Muzzle velocity 1255 fps.

**22 SUBSONIC™ LONG RIFLE:**

- Full-sized long-rifle cartridge loaded to 1050 fps.
- Subsonic velocity eliminates muzzle crack.
- Perfect for small game at medium range.
- Functions in all popular 22 autoloaders.
- Features 38-gr. lead hollow point bullet.

**22 CYCLONE® LONG RIFLE HIGH SPEED:**

- Economically priced long-rifle cartridge ideal for small game.
- Features 36-gr. lead hollow point expanding bullet.
- Muzzle velocity 1280 fps.

- Consistent ignition with a wide range of powder types.
- Reliable ignition from -20°F to +150°F.
- Unique tripod anvil creates a larger "sweet spot" with maximum sensitivity.
- Pellet weight controlled to .01 grams and metallic dimensions controlled to .0005.

ETRONX™ ELECTRIC CENTERFIRE PRIMERS

(Packed 100 Per Box, 10 Boxes Per 1000, 50 Boxes Per Case, 5000 Per Case)

Index Number	Order Number	Order Qty	Description	Avg. Wt. Per Case	UPC 47700		Mrs. Selling Price	
					Box No.	Case No.	Per 1000	Per Case
XEL22610	22610		9-1/2 Large Rifle (Electric)	6	08580 7	08585 2	\$76.31	\$381.55

- Carefully calibrated to duplicate the performance of our standard primer.
- Can be loaded with same amount and type of powder as you would for a mechanical firing system.
- Follow same published loading data for cartridges of the same caliber and bullet weight.
- For use in Model 700™ EtronX™ firearms.

REM™ CHOKE IN MODIFIED, FULL AND IMPROVED CYLINDER

SKEET REM™ CHOKE TUBES

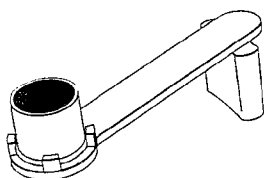

"THE VENTILATOR" PORTED CHOKE TUBE

- Specifically for turkey hunting.
- Features .010-tighter constriction than Super Full Turkey Rem™ Choke.
- 42-hole porting is designed to exhaust gas discharge and reduce recoil.
- 4" long.
- Fits all Model 870™, Model 11-87™ and Model 1100™ 12-gauge shotguns with Rem™ Choke barrels.
- Non-glare black finish.
- Lead shot only.
- For maximum performance, use with #4, #5 or #6 shot.

REM™ CHOKE SPEED WRENCHES

- Available in 12-ga. and 20-ga.
- Fishing reel-type handle for faster, easier choke tube changing.
- Unique bore guide aids in proper alignment and seating of wrench.

HEVI•SHOT® CHOKE TUBE

- Heat-treated stainless steel.
- Black coating for low reflectivity.
- Knurled for ease of installment.
- For use with lead, steel and Hevi•Shot loads.
- Models available to fit all 12-ga. Rem™ choke barrels and all 20-ga. Rem™ choke barrels.
- Choke diameter of .5775 inches for 20-ga.
- Choke diameter of .675 inches for 12-ga.
- 95% + patterns.

2004 Remington® Price List

STANDARD CONDITIONS OF SALES DECEMBER 1, 2003

1. PRECEDENCE.

All agreements, contracts, and purchase orders for products marketed or sold by Remington ("Products") shall include and incorporate the terms and conditions contained in these Standard Conditions of Sales (SCS), and the SCS shall supersede and take precedence over any conflicting terms and conditions in any previous agreement, contract, or purchase order. Remington reserves the right to amend these SCS at any time. Purchaser agrees to the terms of the SCS by submitting a purchase request or order to Remington. Acceptance by Remington of Purchaser's purchase request or order is expressly limited to all of the terms and conditions of these SCS. Any purchase order, confirmation memorandum or other writing submitted by Purchaser will not be deemed to vary the terms of these SCS.

2. ACCEPTANCE OF ORDERS.

All purchase orders, whether solicited or unsolicited, are subject to acceptance, in whole and in part, upon receipt by Remington in Madison, North Carolina, and Remington reserves the right to reject and/or not to accept any order, in whole or in part, without incurring any liability for any such rejection. Should any part of an order be rejected or not accepted by Remington, Remington reserves the right to ship the remainder under the terms of these SCS, and, if shipped, Purchaser agrees to accept the delivery and pay for all Products included in the portion of the order accepted by Remington. Remington shall not be liable for failing to make prompt delivery when such failure is due to circumstances, causes, and/or contingencies beyond Remington's control, including, but not limited to, acts of God, fire, explosion, flood, war, act of or authorized by any government, accident, equipment failure, labor trouble or shortage, inability to obtain material, equipment, or transportation. Quantities so affected may be eliminated from any order without liability. The remainder of any order shall otherwise remain unaffected. Remington shall have no obligation to purchase supplies of the Product to enable it to perform shipment of any order. Remington reserves the right to discontinue product lines and to make changes to Products offered at any time, with or without notice, and will be under no liability for any such discontinuance or change.

3. APPORTIONMENT.

If for any reason Remington is unable to supply the total demand for any Products, Remington may distribute its available supply among any and all of its customers, as well as departments and divisions of Remington, on such basis as it may deem fair and practical, without liability for any failure of performance which may result therefrom.

4. GOVERNMENT ACTION.

If any government action should place limitations on the price of any Product such that it would be illegal or against public policy for Remington to charge such prices, then Remington shall have the option (1) to continue to perform subject to such adjustments in prices as Remington deems necessary to comply with such government action, (2) to revise the pricing and agreement, subject to Purchaser's approval, in order to most nearly accomplish the original intent of the agreement, or (3) to terminate performance of the affected portions of the agreement without any liability for any damage, with all unaffected portions of the agreement to remain in full force and effect.

5. PRICES.

Manufacturer's selling prices for Products are described in Remington's current applicable Price Lists and supersede all prices previously in effect or previously quoted. All orders on file and all orders accepted by Remington shall be subject to prices in effect on date of shipment unless otherwise agreed in writing by the parties. U.S. Federal Excise Tax is included where applicable. Prices are subject to change at any time without notice. All resale prices set forth in Remington's Price List are suggested prices only. Purchaser shall reimburse Remington for all taxes, excise or other charges, if any, which Remington may be required to pay to any government (foreign, national, state, or local) upon the sale or transportation of the Product sold to the Purchaser.

6. BACKORDERS.

Remington will attempt to ship all Product orders on the requested shipping dates and will create a backorder for any unshipped balance unless specifically indicated on the original purchase order that backorders are unacceptable. Remington will continue to ship against the open balance of an order unless a written or electronic cancellation request is received 10 days prior to shipment. If Purchaser provides a cancellation date in the original purchase order, Remington will continue to ship against the open balance of the order up to the Purchaser's cancellation date. Purchaser shall not deduct a late charge for back order shipments. All backorders for firearms will be canceled on November 30, 2004. All backorders for all other products will be cancelled on December 31, 2004.

7. CANCELLATIONS.

Cancellation of orders or backorders must be made in writing by letter to:

Remington Arms Company, Inc.
Attention: Customer Service
870 Remington Drive
Post Office Box 700
Madison, North Carolina 27025-0700
Fax: 336-548-7721

Purchaser may cancel an order or backorder if the Customer Service Representative receives the cancellation request 10 days prior to shipment. Purchaser may not cancel or alter an order or backorder less than 10 days before shipment. If Remington agrees, at its discretion, to accept a cancellation 9 days or less from the shipment date, Purchaser agrees to pay a restocking charge of 15% of the invoice amount. Orders for custom Products or specifically manufactured Products ("Special Products") are subject to special quotation, and may not be canceled after acceptance of the order by Remington unless Remington consents to the cancellation in writing.

8. PACKAGING AND MARKINGS.

All orders will be shipped in standard packaging and at standard pack levels. Remington reserves the right to revise order quantities to standard pack levels. Orders calling for any special packaging or special marking may be, at Remington's option, subject to additional service charges. All Product labeling, literature and instructions on or packed with, or associated with any Product must be passed on by Purchaser to its customer.

9. FREIGHT.

Products are shipped F.O.B. Remington factory or warehouse. Title and risk of loss passes to Purchaser at point of shipment for all shipments unless expressly agreed to otherwise by Remington in writing. Freight charges are prepaid to Purchaser's shipping address to points in the United States. Remington retains the right to make and route shipments in the most practical and safe manner as determined in its sole discretion regardless of any special routing instructions listed on any purchase orders. Special routing or rapid delivery requests will be prepaid with charges added to the invoice. Remington will make every reasonable effort to meet requested delivery dates and to instruct carriers to schedule delivery as requested on purchase orders. However, legal detention, redelivery, and reconsignment charges assessed by any carrier will be the responsibility of the consignee. Shipments to destinations other than authorized shipping locations (drop shipments), when expressly allowed in writing or as established on the electronic purchase order, are subject to a 5% service charge. State Tax Exemption Certificates must be provided for any alternate shipping destination.

10. SHORTAGE, DAMAGE AND NON-DELIVERY CLAIMS.

Shipments involving shortages, damage, non-delivery, or concealed shortages are the responsibility of the Purchaser or consignee, and claims must be filed directly with the delivering carrier. Purchaser is responsible for promptly and carefully inspecting all shipments to insure proper receipt. Inspection should include verification of total number of cartons, exterior condition and agreement with packing lists. If Purchaser finds any sign of damage or discrepancy upon receipt and inspection, Purchaser must note the discrepancy on all copies of the carrier's delivery receipt. Remington will not be responsible for any loss, damage or pilferage occurring after shipment. When such loss, damages, or pilferage does occur, Purchaser must file its claim with the carrier. Purchaser must notify Remington in writing or electronically within 60 days of date of invoice of any Product irregularities or dissatisfaction of any kind including quantities shipped, terms, discounts, or conditions of sale. Failure to provide this written notice will constitute complete acceptance by Purchaser of the Product order as shipped and invoiced, and will constitute a waiver of all claims with respect to such Products. Any claim for damages against Remington of any kind pursuant to or in connection with this agreement, any purchase order or the Products, in any manner, whether based on negligence, contract or any other cause of action, shall be limited in damages and recovery to an amount not to exceed the purchase price of the Products. Purchaser's short payment of invoices or use of a credit deduction for any transportation claim or shortages are expressly prohibited.

11. RETURNED GOODS.

Remington Customer Service Department must approve in advance the return of any Products. Purchaser may not return any Products under this provision without first receiving and then using a Return Goods Authorization number (RGA) and Product mailing labels as provided by Remington. When requesting authorization, Purchaser must provide the reason for the return and the invoice number. Unauthorized returns will be refused and returned at Purchaser's expense. Return of discontinued or close-out merchandise will not be accepted under any circumstances. Remington will inspect returned Product and may charge Purchaser for any missing parts or damage. If the Product return is due to Purchaser's error, the credit invoice may be subject to a 15% restocking charge. Under these circumstances, Purchaser must return the Products freight prepaid. Collect shipments may be refused at Remington's sole option. Once all documentation is complete, Remington will credit purchaser's account within 30 days of receipt of the authorized return. Remington will base any credit to purchaser's account on the original purchase price including applicable discounts. Remington may separately invoice restocking charges, if any, at Remington's option. Purchaser's short payment of an invoice or use of a credit deduction in anticipation of a credit invoice are expressly prohibited.

12. WARRANTIES.

Remington warrants title to Products sold hereunder and that such Products are of merchantable quality within the meaning of the North Carolina Uniform Commercial Code. Remington warrants that the use or sale of the Products will not infringe upon any United States patent covering the Products themselves; but Remington does not

2004 Remington® Price List (cont'd)

STANDARD CONDITIONS OF SALES DECEMBER 1, 2003

warrant against infringement by reason of the use of Products in combination with other Products or in the operation of any process or after transformation or modification by Purchaser. ANY LIABILITY OF REMINGTON UNDER THIS WARRANTY CLAUSE SHALL BE LIMITED TO REPAIR OR REPLACEMENT OF THE PRODUCT. UNDER NO CIRCUMSTANCES SHALL REMINGTON BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES WHATSOEVER. EXCEPT AS OTHERWISE EXPRESSED IN WRITING, REMINGTON MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, AS TO ANY MATTER WHATSOEVER. ANY IMPLIED WARRANTY OF MERCHANTABILITY WHICH EXCEEDS THIS WARRANTY IS HEREBY DISCLAIMED BY REMINGTON, AND ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE WHICH EXCEEDS THIS WARRANTY CLAUSE IS HEREBY DISCLAIMED BY REMINGTON. Remington specifically reserves the right to inspect all Products alleged to be defective for evidence of misuse or abuse, and to determine whether, in Remington's sole determination, a repair or replacement of any such Product is due. All warranties under this provision are limited to Purchaser only and are unassignable, and shall not extend or apply to any third party.

13. PAYMENT TERMS.

All payment terms and cash discounts including anticipation discounts, are listed on the issued invoice for each shipment of Products and discounts are based solely on invoice and payment dates. Payment date is the date payment is received by Remington's bank, or, if payment by electronic funds transfer, the settlement date at Remington's bank. Payment of invoices is required by due date; however, any invoice subject to anticipation dating terms may be paid early subject to the discount schedule set forth with the applicable sales program. To insure proper payment application against open balances, a remittance advice, including customer account number, invoice number and date must be sent to the address noted on the invoice. Invoices not paid by due date are subject to a late payment service charge and may jeopardize Purchaser's qualification for any sales program incentives, including but not limited to discounts, allowances and favorable pricing. Late Payment Service Charge shall be at a rate of 1.5% per month or 18% per annum or legal maximum if less. Accounts must be paid promptly when due. Any past due invoice will automatically make all outstanding amounts due and payable immediately regardless of payment terms or due date, and Remington may demand payment of the entire account. In addition, Remington may demand that the Purchaser recognize all past due amounts via an interest-bearing note secured by collateral deemed appropriate by Remington. All costs to effect such security, including UCC-1 filings, shall be paid by the Purchaser. Subsequent orders may not be shipped until the account is current. In the event Purchaser fails to fulfill Remington's terms of payment or in the case Remington shall have any doubt at any time as to Purchaser's financial responsibility, Remington may decline to make any further deliveries to Purchaser. In the event of any change in ownership, including but not limited to sale, transfer, merger or ceasing of operations, all outstanding invoices, regardless of terms of sale or payment date, shall become due and payable immediately. Any deviation from this provision will be at the sole discretion of Remington and must be agreed to by Remington in writing. Any invoice dispute must be submitted to Remington in writing within 30 days of the invoice date. Disputes will be reviewed provided Purchaser provides documentation including invoice numbers, dates and reasons for the dispute. Resolution of invoice disputes will be provided by Remington within 30 days after receipt of written documentation and after verification will be credited to Purchaser's account if invoice disputes are found to be correct. If not correct, Remington may request additional documentation. Purchaser may not deduct any amount from invoice payment because of an invoice dispute or in lieu of reimbursement for any discount, allowance, coop advertising and/or credit adjustment. Purchaser's short payment of an invoice or use of a credit deduction in anticipation of a transportation claim or shortage, credit invoice, or coop advertising credit are expressly prohibited.

14. EXPORTS.

Remington's International Division has distribution systems in place for Products in most foreign countries. Purchaser may not export Products or sell Products to any customer who Purchaser knows will export Products outside of the United States.

15. CONFORMITY WITH LAWS AND REGULATIONS.

Purchaser of Products agrees to conform with all applicable Federal, State and Local laws, regulations and ordinances concerning the purchase, possession, storage, transportation and resale of all Products. Purchaser specifically agrees to furnish Remington with a signed, certified copy of the Federal Firearms License applicable to the destination or destinations for multi-locations before Remington will ship any firearms. Purchaser also agrees to furnish a new, signed copy of the Federal Firearms License when it is renewed. If at any time, and for any reason, a Federal Firearms License is revoked or is allowed to expire without timely renewal, the Purchaser specifically agrees to notify Remington immediately. Remington will suspend all shipments to the Purchaser until the signed copy of the renewed license is received by Remington. Remington reserves the right to terminate all orders and agreements with any Purchaser who fails to provide a signed copy of a Federal Firearms License or whose Federal Firearms License is revoked by the United States Government. Purchaser agrees to furnish Remington with a certified copy of a Tax Exemption Certificate. If Remington does not have a certified Tax Exemption Certificate on file, applicable sales tax will be applied to all accepted purchase orders

and added to all invoices. Purchaser may not deduct any amount from invoice payment because of a sales tax dispute or in lieu of reimbursement for any sales tax, allowance, and/or credit adjustment.

16. CHOICE OF LAW.

Any controversy or claim arising or relating to these Standard Conditions of Sale, or to any agreements, contracts, or purchase orders in which these Standard Conditions of Sale are included and made a part, or any breach thereof, shall be governed by the laws of the State of North Carolina. In addition to Remington's remedies provided herein, all of Remington's remedies under the Uniform Commercial Code are specifically incorporated in these SCS.

17. PURCHASER OBLIGATIONS AND RESPONSIBILITIES.

Purchaser agrees to pay all accounts when due, and acknowledges that Remington may refrain from accepting or shipping additional orders until all accounts are paid in full when due. Purchaser agrees to indemnify, reimburse and hold harmless Remington from any and all attorney fees and costs incurred by Remington as the result of Purchaser's breach of any obligation or provision under this agreement. Purchaser agrees and covenants to provide to Remington reasonable supporting financial information, as requested, sufficient to demonstrate Purchaser's ability to pay the purchase price for the purchased Products. Such financial information may include, but is not limited to, complete financial statements, bank and trade references, insurance certificates, personal guarantees and standby letters of credit. Purchaser agrees to furnish updated financial information on an annual basis, any time Purchaser incurs a material change in its financial status, and at any reasonable time upon request. Purchaser authorizes Remington to receive support information and to discuss Purchaser's financial condition with third parties to verify the provided information.

18. ORDERING PROCEDURES.

All purchase orders should clearly indicate the below ordering information (failure to provide all of this information could delay receipt of Product):

weights, stock dimensions, checkering pattern and wood grain may vary according to the individual firearm. Remington reserves the right to change or modify its products without notice. Pricing may vary by model, specification, color, size and availability. Follow the safety rules printed in firearms instruction books and on ammunition boxes. If you do not have an instruction book for your Remington firearm, write to Remington Arms Company, Inc., 870 Remington Drive, PO Box 700, Madison, 27025, for a free copy or visit our website at www.remington.com/manuals. Please specify the model and serial number. The firearms herein have been photographed with their actions closed to properly showcase their features. In actual practice, any arm not in use must be left with ammunition removed, action open and safety on. Consumer Information, Arms Service, Parts and Repairs and Custom Shop: (800) 243-9700.
