

Model 700/Seven, P/N# 2/23/01 9:37 AM Page 6

*Make it a practice to clean your bore every time you're going to shoot. Be sure to clean your entire gun before and after long term storage and no less than once a year. It's also important to clean your gun whenever it's been exposed to adverse conditions such as rain, dirt, mud, snow, sleet or saltwater.*

*For safe and dependable operation of your firearm, all parts of your gun must be properly cleaned and lubricated. Periodically inspect the internal workings of your firearm to be sure they're clean and free of rust, unwanted dirt and debris.*

*Use recommended lubricants on your gun and do not over-lubricate. Excessive use of a non-recommended lubricant could adversely affect the function and safe operation of your firearm. Remember, you are responsible for the proper care and maintenance of your firearm. Failure to properly maintain your firearm can not only damage or ruin your firearm, it can expose you and others to unnecessary risks of personal injury or death.*

*Remington® has a wide range of firearm care products available for best results when cleaning your gun. Everything from solvents and lubricants to rods and pastes. They're all available from your Remington dealer.*

#### **10TH COMMANDMENT**

*Learn the Mechanics and Theology of the Ten Commandments of Your Firearms. Not all guns are alike. They have different mechanical characteristics...and dictate how you should carry and handle them. Anyone who wants to use a firearm should first become totally familiar with the type of firearm it is and the safe handling procedures for loading, unloading, carrying, shooting and storing it.*

*Before you ever unpack your new Remington firearm, read this Instructor book from cover to cover and familiarize yourself with the various component parts of the gun. Then read, understand and follow the Ten Commandments of Firearms Safety in this book.*

**WARNING:** Discharging firearms in poorly ventilated areas, cleaning firearms or handling ammunition may result in exposure to lead, a substance known to cause cancer, birth defects and other serious physical injury. Wash hands thoroughly after exposure.

#### **SHOOT SOBER**

*There's one other rule that should always be observed when handling firearms. In fact, respect for this rule is necessary in order to effectively practice the Ten Commandments of Firearms Safety. The rule is: SHOOT SOBER! Guns and alcohol or drugs make a deadly combination. Never consume anything that would impair your judgment, or physical coordination while you're using a firearm. A staggering percentage of the shooting accidents that occur every year involve alcohol or drugs. Be smart. Always shoot sober and stay alive.*

**WARNING:** Failing to follow all of these safety rules may cause personal injury or death to the shooter or bystander, or damage to property. If you see a firearm that you fully understand and realize the Ten Commandments of Firearms Safety, if you have any questions about the safe use of a Remington firearm, write to us at Remington Arms Company, Inc., Customer Service, P.O. Box 700, Madison, NC 27025-0700, or call toll-free 1-800-243-5500.

#### **DON'T KEEP THIS TO YOURSELF.**

*Now that you're a gun user, it's your obligation to help ensure that shooting sports are safe for everyone – participants and bystanders. If you can do that by practicing these principles of firearm safety and passing them on to others, especially new shooters. Set an example to beginners. Be a guide to the novice entry into the exciting world of shooting sports. Invest your time and patience for the love of the sport and for its future. After all, it's your love of the sport that led you to buy a new Remington.*

*Firearm ownership is a right, and privilege. It's a right guaranteed in this nation's Constitution. It's a privilege we possess as well as a personal responsibility to use your firearm in a way which will ensure your safety and the safety of others. The preservation of this right and privilege depends on the personal commitment of you and your fellow shooters to the safe and responsible use of firearms. Let the Ten Commandments of Firearms Safety contained in this book guide you at all times. Teach and promote those rules whenever you can. Remember, firearm safety depends on you! That's the only way to really enjoy your new Remington firearm and to preserve sport shooting as we know it today.*
