2006 870 Express Line

New cosmetics for Express Line (Fink)

- Black synthetic stock and fore end with overmolded inserts
Tooling would be around \$250k for 12 GA tool. Possible concept would be to remove checkering and insert texturing in those areas
Fink-Run where used report-Skinner will send down. Joe Mead will look at costing.
Marketing will review and respond with direction by March 4th.
- Youth guns with redesigned fore end & stock w/R3 pad Sims does not have smaller pad to fit youth stock. Sims is quoting pad for youth Jr. Need synthetic youth.
- Potential laminated wood stocks-S&K has supplied quote Finance questioning S&K regarding contract. Art Wright talking to Stouts, should have answer week of 2/21. Laminated samples have Marketing approval. Assuming costing is favorable, implement as an in-line change in 2005. RAMACs will not change. Need to identify
