#### R&D Topics

#### New Concept Pump Shotgun - Diaz/Fink

Preliminary look at polymer framed pump shotgun design

#### Design criteria from Marketing-NPP 2008-02

- Doesn't need to maintain current "870" foot print this is not an 870 replacement
- · Utilize existing parts if it makes sense
- Uses technology to attack current or future manufacturing concerns, but we don't need to necessarily invent new technology – <u>SPEED IS THE KEY!</u>
- Should be competitive with respect to styling and features of Benelli Nova

Developing lower cost pump action shotgun.

Benelli patents to work around

Need meeting to bring all parties together to establish clearly defined objectives.

Diaz to establish meeting.

Go to round bead on shotgun.
