Subject: FW: Re: Model 710 Short Action Test Plan

Jim,

See Ron's response. Your thoughts if the only changes are magazine box related ?

Sensitivity: Confidential

I want a test plan assuming a spl fire control and a test plan assuming same fire control as now
thanks

Ron,

As requested we have reviewed this program with Diaz's group and Mayfield and have put together a test plan to qualify this product for production. The short action utilizes the same parts as the existing M/710 with the following exceptions:

PART DIFFERENCES

- * Magazine Box
- * Magazine Follower
- * Magazine Box Bottom

Subject to Protective Order - Williams v. Remington
