Impressive Line of Fixed Blade Knives Added to Remington's Legendary Knife Offerings

Madison, NC – The latest addition to the Remington® cutlery lineup is the handsome and serviceable series of Bird's Eye Maple Laminated Handle Fixed Blade Knives. These rugged knives are constructed of 420 high carbon stainless steel with one piece, Bird's Eye Maple laminate handles. Known for its hardness and strength, Bird's Eye Maple has a straight grain, fine even texture and light cream white/reddish tinge finish, making this high quality line of knives suitable for the woods or collector's case.

Four versions of the Bird's Eye Maple Laminated Handle Fixed Blade Knives will be offered with each featuring the Remington blade etch and tang stamp. The **Clip Blade Knife** and **Drop Point Knife** are great all-around, big-game knives and feature 4 3/4 -inch cutting blades; the **Drop Point Knife with Gut Hook** is ideal for field dressing and has a 4 1/2 -inch blade; and the **Skinner Knife** has a 3-inch cutting-edge skinner blade. Each knife is housed in a leather sheath embossed with the Remington logo.

Remington boasts a rich history in the cutlery world and is proud to provide outdoorsmen with this stylish, high quality line of Bird's Eye Maple Laminated Handle Fixed Blade Knives.
