## Impressive Line of Fixed Blade Knives Added to Remington's Legendary Knife Offerings

Madison, NC - The latest addition to the Remington cuttery lineup is the handsome and serviceable series of Bird's Eye Maple Earninated Handle Fixed Blade Knives. These rugged knives are constructed of 420 high parton stainless steel with one piece. Bird's Eye Maple laminate handles. Known farits hardness and strength, Bird's Eye Maple has a straight grain, fine even texture and light aream white/reddish tinge finish, making this high quality line of knives suitable for the woods of collector's case.

Four versions of the Bird's Eye Maple Lambutted Handle Fixed Blade Knives will be offered with each featuring the Remington blade etch and tang stamp. The Clip Blade Knife and Drop Point Knife are great all-around, big-game knives and feature 4<sup>3</sup>/<sub>4</sub> -inch cutting blades; the Drop Point Knife with Gut Hook is ideal for field dressing and has a 4<sup>1</sup>/<sub>2</sub> -inch blade; and the Skinner Knife has a 3-meth capting-edge skinner blade. Each knife is housed in a leather sheath embossed with the Remington logo.

Remington boasts a tich history in the cuffery world and is proud to provide outdoorsmen with this stylish, high quality line of Bird's Eye Maple Laminated Handle Fixed Blade Knives.
