Remington Arms Co., Inc. C&A on Model 700

| Section | Question | Answer |
|---------|--|---|
| Safely | How can Hell if my finearm is safe? | advise the general public of a recall on a particular firearm. Additionally, we utilize, to the extent we have them, owners cards to send direct correspondence to the owner of the firearm. If you have any concerns about the safe functioning of your firearm we would be more than happy to help you get the firearm a safety check-up. You have two choices 1. You should have the firearm checked out by a qualified gunsmith We can help refer you to one or you can look in your local telephone book. 2. Or you could send it back to us at the factory and we would be glad to look at it for you: Rentington Arms Service Division - TPA 14 Histofler Avenue filion: NY 13357. Remember Firearms Safety depends in the person holding the gun and his /her following the 10 commandments of safety. |
| | How can I tell if my gun has been altered? - Check cleanliness of gun - Check functioning of gun - Have gunsmith review | Note: Remind people that they should have the guns chicked out periodically by a qualified gunsmith If you have any concerns about the safe functioning ef your firearm, especially if acquired used or it is another gun, take it to a RARC gunsmith (or send it to us at Remington) for a complete check-up Mailing address Remington Arms Co., Inc. Attn: Arms Service Division - TPA 14 Hoefler Avenue Ilion, NY 13357 Remember that you, as the user, are a firearms best safety. As a firearms user, you have an obligation to follow the 10 commandments of safe gun handling whenever you handle a firearm. We can send you out a copy of the 10 commandments or you can access them and take a training course at our website; www.Remington.com |
