Dear Mr. Tabor,

You can locate your nearest repair center by visiting the Repair Information Center in our Support Section and selecting your model and state:

I own a Remington 700 BDL Pre-1982 firearm. I would like to have it modified from a bolt lock safety to a non bolt lock safety through a Remington Authorized Repair Center. Could you please tell me if there is an Authorized Repair Center located in the Portland, Oregon or Vancouver, Washington area?

Thank you,
