<DIV>Hello, My name is stan Spence. On 3-30-01 I received my model 700
back from you after you repaired it.&nbsp; You put in a trigger assembly
cleaned it and tested it. The invoice # is 40768174. The repair order #
isRE00024800. I had a safety concern with it firing when unloading
it.&nbsp; You charged meanusp; $41.24.&nbsp; Now I see you have a safety
modification program. Is my gun alright?  I paid you that money and did not get a rebate coupon.  That is one thing you could do. You knew you had a problem when I sent my gun to you. You are charging them $20.00 and I paid $41,24.  You should send me at least a coupon! Thank you. </DIV></DIV>&gt; <DIV>&nbsp;</DIV>&gt; <DIV></DIV>&gt;
