LATEST NEWS:

The new domain names are finally available to the general public at discount prices. Now you can register one of the exciting new .BIZ or .INFO domain names, as well as the original .COM and .NET names for just \$14.95. These brand new domain extensions were recently approved by ICANN and have the same rights as the original .COM and .NET domain names. The biggest benefit is of course that the .BIZ and .INFO domain names are currently more available. i.e. it will be much easier to register an attractive and easy-to-remember domain name for the same price.
