

sans-serif">Hi,

Remington Arms Company, Inc. can get ahead of its competition by utilizing the

power of eMarketing to specifically targetSheriffs,

Chiefs of Police, Lieutenants, Sergeants and other Law

Enforcementofficials with

your personalized marketing messages.Reach

out to Police Departments, Tactical Squads and SWAT teams,

firearms officials, K9 units, Intelligence units, Fire

Departments and Correctional Departments

all over the US and</div>

<div align="justify">

<div align="justify">

eMarketing365 can help Remington Arms Company, Inc. deliver your message directly to the desk tops of

thousands of Law Enforcement professionals. These

personalized precision targeted one-to-one emails are the most powerful form of conveying

your marketing message far superior to calling in person,

telemarketing, and direct mail of brochures. All this at costs far less than you would expect.<i>

</i>
