How long does it take for my rifle to come back from that safty recall?...

Discussion Thread

Response (Laura) 6/21/2002 11:11:03 AM:
Dear Mr. Chavez,
Thank you for your inquiry. The average turn around time for the safety modification program at our factory is 2-4 weeks.

Customer (joe chavez) 6/21/2002 10.53:14 AM How long does it take for my rifle to come back from that safty recall?

Subject to Protective Order Williams v. Remington
