Dear David,

Thank you for your inquiry. We are offering a Safety Modification on this model. There is also a recall on certain versions of this firearm. You will need to take your firearm to a Remington Authorized Repair Center for assistance with your firearm.

You can locate your nearest repair center by visiting the Repair Information Center in our support section and selecting your model and state:

<http://www.remington.com/support/repairsvc/Modelselection.asp>

If you have any questions, please feel free to contact us at 1-800-243-9700.

Just read that there might be a saftey modification for this gun; having to do with the "bolt lock". Please advise if this includes mine. Thank you in advance for your help.
