Thank you for visiting Remington Country. The Model 700 that you have was manufactured in 1963 at our firearms plant in Ilion New York. The design of the Model 700 has not changed over the years except minor adjustments in the trigger assembly. Refer to the link below:

http://www.remington.com/Safety_Modification_Program/700_safety.htm

If you have any further questions please feel free to contact us at 1-800-243-9700 M-F 9am-5pm EST. We are here to assist you.

Thanks-
Melissa

what year was this firearm manufactured, and what is it's designation as per todays 700 line?

the patent #'s on the barrel are as follows:
2,473,373
2,514,931

Thanks for you help

Eric
