Dear Mr. Silvestri,

Thank you for your inquiry. According to the information provided, there has not been any recall on your firearm. Remington is aware of reports that rifles with the bolt lock feature when initiating the unloading process have accidentally discharged, and whenever a gun fires accidentally, there is a risk of property damage, serious injury or death.

If you have any further questions, please contact our Consumer Service Department at 1-800-243-9700.
