Dear Dear Mr. Redden,

We apologize for any inconvenience you may be experiencing. We suggest  
taking or sending your firearm to a Remington Authorized Repair Center or  
our factory for evaluation.

You can locate your nearest repair center by visiting the Repair  
Information Center in our Support Section and selecting your model and  
state:

THE FIRING PIN WILL NOT FIRE THE WEAPON. THE CALIBER IN 22-250 REM. I  
CHAMBER A ROUND, UNLOCK THE SAFTY, AND BOLT LOCK, PULL THE TRIGGER, WHICH  
RELEASES AND CLICKS, BUT DOES NOT STRIKE THE PRIMER. IS THERE A PROBLEM  
WITH MY METHODS, OR SHOULD I MAKE THE 100 MILE ROUND TRIP TO RETURN THE  
RIFLE TO GALYAN'S WHERE I PURCHASED THE GUN?
