Dear Harold:

According to our records, your firearm was made in 1976. This means that your firearm is eligible for our Bolt Lock Safety Modification Program. You can find out the details of this program by visiting http://www.remington.com/Safety_Modification_Program/700_safety.htm. Please call us at 1-800-243-9700 if you have any questions. Thanks for visiting Remington Country and have a great day.
