

ISSUES

1. Is the 710 – New SPL
2. If so, when can Ilion support?
Completed assembly?
Components?
Cut in schedule?
3. What happens if delayed?
Can go to 700 current?
Can go old 710 – Gap in stock
See arm
Parting line w / insert tool
4. If Ilion can't support;
Do we go on 710 SA w/ current 710 configuration
