Dear Mr. Vassallo,
Thank you for contacting Remington Country. Due to the many variables involved with valuation, we would encourage you to refer to the many publications that are available on the subject of gun values or have it appraised by a collector. Many of these books are available through public libraries or local bookstores. For your convenience we have provided a listing of the more popular books:

I see Remington is coming out with a new 350 Remington-Magnum model 673. I'm an owner of the old model, 600-350 Remington-Magnum. I would like to know the value of my rifle and also in the 70's, there was a recall on this rifle and I had to bring it to a certified dealer. Do you have any info on that question? Thanks for your time. Joe Vassallo
