Thank you for your recent inquiry. From the serial number that you provided, your firearm was manufactured in 1976. There is not a recall on the Model 700, it is actually a Safety Modification Program. I have attached the page from our website that explains in detail the Safety Modification Program.

[http://www.remington.com/Safety\\_Modification\\_Program/remington\\_safety.htm](http://www.remington.com/Safety_Modification_Program/remington_safety.htm)

I hope that you find this information helpful. Thank you for your continued support of Remington products and thank you for visiting Remington Country!
