Dear Mr. Hickman,

Thank you for contacting Remington Country. We recommend sending them in
seperate boxes to prevent damage in shipping. The average turn-around at
the factory is 4 weeks. Remington Premier Repair Centers may have a
quicker turn-around. Following is your closest Premier Center.

I have two rifles that qualify for your safety modification program. Do I
send them in the same box or seperate ones?
How long will the process take after I send it to you? What else do I need
to do to send them to you ?

Thanks
Calvin Hickman
