Dear Mr. Smith,

Thank you for contacting Remington Country. The firearm can be left at the guard house at any time at the factory. They will have you sign the firearm in. A notice will be mailed to you when the firearm is ready for pick-up or you can request that it be shipped back to your residence.

I have a Model 700 rifle that qualifies for the
bolt safety modification repair.

I will be in the Ilion, NY area in July and would like to drop off my rifle at your plant in Ilion, NY.

Please inform me as to where I should drop off my rifle for modification.

Thanks,
Dave Smith
