Dear Kevin,

Thank you for your inquiry & for participating in the safety modification. We have requested that 2 rebate forms be sent to you.

It's not too early to begin planning for next season. At Remington, we offer a number of services to keep you in the hunt and your firearm in peak performance condition. Services to include: wood & Metal Refinishing, direct factory parts purchases, routine cleaning & inspection and more. These services are available for current models only.

At this time of year, turnaround times are at a premium. For more information, please contact us at 1-800-243-9700 or check out the support section of our website at [www.remington.com](http://www.remington.com).

I had 2 rifles updated with the safty improvement that lets you open the bolt to unload the gun with leaving the safty on. I need 2 rebate forms for the update I paid for. Please mail to:

The second question I have, can both rebates be used on one large purchase?
