Dear Mr. Flint,

Thank you for your inquiry. If you will forward information on the firearm in question including the serial number we will run it to see if it has ever been called back. To view the current safety information on certain bolt actions, go to:

http://www.remington.com/Safety_Modification_Program/remington_safety.htm

Customer (David Flint)

how can I find out about recalls, and if remington pays for the fixing of recalls.

Thanks,
Dave Flint
