Dear Mr. Frey,

We are extending the \$20 rebate that you can review at the following section of our site. If you will fax or mail a copy of your repair invoice from Gander Mountain, we will mail a rebate form to you.

I had my model 700 send to you for the safety modification thru Gander Mt in Harrisburg, Pa. I received my firearm back but did not receive a \$20 coupon. I was billed \$20 for the modification.
