Customer (Bob Coe) 5/8/2004 9:55:54 PM
I have a remington model 721 270 cal. while hunting, I have to unload the rifle by ejecting the shells. The last time I used it, it accidentally fired while unloading. Needless to say this scared the hell out of us. I took it to a gunsmith and he said there was a safety recall on this rifle. The sn. is 140938 what info can you give me on this?
