Dear Mr. Hronas,

Thank you for your patience. He is confusing this with the Model 700 not the 700ML. You can view the safety message regarding the Model 700 at:

http://www.remington.com/safety_modification_program/remington_safety.asp

Remington will discontinue production of the Model 700ML for 2005. We apologize for any disappointment this may cause.

I JUST PURCHASED A NEW 700ML IT IS MY 2ND ONE, A GIFT TO MY SON AND THE GUNSMITH TOLD ME THERE WAS A PROBLEM WITH EARLIER 700 ML WITH THE SAFETY AND TRIGGER IS THIS TRUE? I NEVER RECEIVED ANY NOTICE. 2ND QUESTION I WENT TO 3 DIFFERENT PLACES TO TRY TO PURCHASE MY NEWER 700ML AND THEY ALL SAID THEY WERE BEING CLOSED OUT AND I HAD TO ORDER THE RIFLE 50CAL JUST TO GET ONE. IS REMINGTON GETTING OUT OF ML LINE OF RIFLES? IVE HAD EXCELLENT SUCCESS WITH MY FIRST AND WAS LOOKING FORWARD TO TEACHING MY SON WITH THE SECOND PURCHASE AND AM CONCERNED .
