Dear Constantine,

Welcome to Remington Country!

We will need to have you call our Parts and Repair Department with the Serial Number of your firearms. You can reach us at 1-800-243-9700, Monday-Friday, 9:00 a.m. - 5:00 p.m., EST.

Have a good day!

Customer (constantine verras)

I have a Remington model 660 222 ca. ser # 125222

a gun smith told me there was a recall on the trigger and or safety mechanism years ago?

same question as above but different rifle mod 600  
308 ca. ser # 2539
