Dear Mr. Sales,

Thank you for contacting Remington Country. The ISS safety key can be ordered direct from the factory. It retails for \$3 plus shipping and tax. We request that you forward your order by fax or mail to the following, with a clear copy of your valid driver's license in order to ensure that we are sending the key to an adult.

Remington Arms, Inc

I recently purchased a used model 700ss, on the bolt there is a J lock. However i did not recieve a key for that lock. I was wondering how i would go about getting on of these keys.
