Dear Mr. Critchell,

The factory turn-around time is averaging 3 weeks. Some of the Premier Centers can turn it around in the same week.

If in the US, we recommend taking/shipping the firearm to one of the following Remington Premier Repair Centers for inspection. The repair centers will ship it back in the same case.

You do not need to call them just include a note inside with the rifle with the reason sent in and your name, address, and daytime number.
