Dear Robert:

Thank you for your inquiry. We will be glad to forward you a key for your J Lock if you will provide your mailing address. You can either call us at 1-800-243-9700 X8706 or you can email me the mailing information.

Thanks for your continued support of Remington products.

I purchased a used model 700 rifle, it has the 'J' on the bolt but did not come with the tool to lock it. Is there a way to purchase one or how could I get one?

Thanks
Robb Pugh
