

*Make it a practice* to clean your bore every time you're going to shoot. Be sure to clean your entire gun before and after long term storage and no less than once a year. It's also important to clean your gun whenever it's been exposed to adverse conditions such as rain, dirt, mud, snow, sleet or saltwater.

For safe and dependable operation of your firearm, all parts of your gun must be properly cleaned and lubricated. Periodically inspect the internal workings of your firearm to be sure they're clean and free of rust, debris and dirt, and debris.

Use recommended lubricants on your gun and do not over-lubricate. Excessive use of oil or non-recommended lubricant could adversely affect the function and safe operation of your firearm. Remember, you are responsible for the proper care and maintenance of your firearm. Failure to properly maintain your firearm can not only damage or ruin your firearm, it can expose you and others to unnecessary risks of personal injury or death.

Remington® has a wide range of firearm care products and resources for best practices when cleaning your gun. Everyting from solvents and lubricants to rods and patches. They're all available through Remington dealers.

#### **10TH COMMANDMENT**

**Learn the Mechanics and Handling Characteristics of Your Firearm.**  
*Not all guns are alike.* They have different mechanical characteristics that dictate how you should carry and handle them. Anyone who plans to use a firearm should first become totally familiar with the type of火器 it is and the safe handling procedures for loading, unloading, carrying, shooting and storing it.

*Before you even unpack your new Remington firearm, read this book from front cover to cover and familiarize yourself with the different components of the gun. Then read, understand and follow the Ten Commandments of Firearms Safety in this book.*

**WARNING!** Discharging firearms in enclosed areas, crowded places or in the presence of working ammunition may result in serious bodily harm or even death. Remove firearms from crowded areas and never discharge a gun in the presence of other people. Wear eye and ear protection when shooting. Never drink alcohol or drugs before physical activity. Have adequate and appropriate training. Clean your gun thoroughly after exposure.

**SHOOT SOBER!**  
There's one other rule that must be followed when handling firearms. In fact, respect for this rule is necessary in order to effectively practice the Ten Commandments of Firearms Safety. The rule is: SHOOT SOBER! Guns and alcohol or drugs make a deadly combination. Please consume any things that could mildly impair your judgment or physical coordination when you're using a firearm. A staggering percentage of the shooting accidents that occur every year involve alcohol or drugs. Be smart, stay sober and stay alive.

**WARNING!** Failure to follow any of these safety rules could result in serious injury or death of the shooter or bystander and/or damage to property. To receive a copy of the Ten Commandments of Firearms Safety, send a self-addressed envelope to Remington Arms Company, Inc., Attn: Dept. 1000, P.O. Box 705, Madison, NC 27028-4700, or call us at 1-800-214-9760.

#### **DON'T KEEP THIS TO YOURSELF.**
