- Proposed R&T Project Budget: \$190K (was \$350 in '04, spent \$88K)
 - Focused on Firearms and Ammo project support in '04
 - Expect this to continue in 05 but to a lesser degree
 - Will concentrate on open Research Project's f/previous years
 - Will include \$'s to support:

(Ö	Ammunition Projects	\$23K
	Firearms Projects	\$58.5K
	Technology	\$13.5
	Accessories	\$55
Q	Target Plant	\$30
0	MPD/Law Enforcement.	<u>\$10</u>
	Total	\$190K

An R&T project budget of \$190K is substantially under previous year budgets but is more in line with historical expenditures. I could supply more detailed project information if you'd like to review specific projects. If you have a project you would like us to work on please let me know and I'll add this to our project list.
