

**REMINGTON® BUCKHAMMER® - THE MOST DEVASTATING LEAD SLUG -
NOW AVAILABLE IN 20 GAUGE 3"**

Madison, NC As far as serious deer hunters are concerned, the Remington BuckHammer has created a new level of performance for lead shotgun slugs. The BuckHammer's unique design and performance characteristics set it apart from all other lead slugs. For hunters who prefer the quick handling of a light-weight 20 gauge slug gun, Remington now proudly offers the **BuckHammer slug in a 20 ga. 3"**, 1oz. version.

Unlike traditional sabot slugs, the BuckHammer's unique attached stabilizer allows for a full bore diameter lead slug that delivers devastating terminal performance with unsurpassed accuracy. When used in conjunction with a fully rifled barrel, the Remington BuckHammer slug delivers 3" or better groups at 100 yards.

This specialized Remington slug system with its uniquely engineered BuckHammer slug delivers outstanding accuracy, near 100% weight retention and controlled expansion to nearly 1 inch in diameter. These attributes combine to produce the most devastating lead slug available to hunters today.

Offerings for 2005 are as follows:

Remington® BuckHammer® Lead Slug

	Gauge	Shell Length	Wt. Slug	Muzzle Velocity	Muzzle Energy
