

## REMINGTON INTRODUCES A CONVENIENT TRAVEL-READY GUN CARE KIT - THE RANGEMASTER™

**Madison, NC** – Designed with the shooting enthusiast in mind, Remington introduces the **Rangemaster Kit**, a convenient, durable multi-component gun cleaning kit. Packaged in a rugged Remington® green storage box with removable tray for quick and easy access to all your cleaning supplies, the Rangemaster is a handy tool on the range, in the field or at home.

The Remington Rangemaster Kit is equipped to clean most rifles, shotguns, and pistols and contains the standard components listed below.

- Silicone Gun Cloth
- Brass, four-piece cleaning rod with swiveling handle
- Brass shotgun and pistol adaptor
- Shotgun patch puller and rifle patch puller
- Three centerfire bronze bore brushes (.22, .270 and .30 caliber)
- Two shotgun bronze bore brushes (12 and 20-gauge)
- Two pistol cotton bore swabs (.22/.270 and .30/38 caliber/9mm)
- Two shotgun cotton bore swabs (10/12/16-gauge and 20/28-gauge)
- .22 caliber cotton patches - 25 pieces
- .270/.30 caliber cotton patches - 25 pieces

With ample storage space in the durable travel kit (13" x 7 1/4" x 5"), simply add your choice of Remington's high quality cleaning chemicals and oils for the proper care of your firearms.
