

Project Design Objectives (cont'd)

☐ **Optional Features (Nice to Have)**

- ✓ Block both trigger and sear in SAFE position
- ✓ Corrosion resistant construction
- ✓ No or minimal lubrication required
- ✓ Tamper resistant
- ✓ Same or fewer parts than the current trigger assembly
- ✓ Improved performance characteristics
- ✓ Design portable to the M710

Remington-Union Carbide Corp. M710 Trigger Assembly June 30, 2006 4
