## NEW REMINGTON® MODEL 870™ SPECIAL PURPOSE SUPER MAGNUM TURKEY SHOTGUN FEATURES THUMBHOLE STOCK

Madison, NC – Turkey hunting demands a shotgun that provides maximum payload in a superior handling, durable package. The newly designed **Model 870 Special Purpose-Turkey Super Magnum Thumbhole Camo** shotgun in hard-hitting 3 1/2-inch, 12-gauge delivers such a package. Combining the reliability of the time-honored Model 870 twin-bar action with many of the durable features of our Special Purpose line of shotguns, makes this pump action the ideal choice for the ever-changing conditions that turkey hunters face.

The Model 870 Special Purpose-Turkey Super Magnum Camo shotgun features a thumbhole-style, laminate stock with palm swell and wide fore-end for more steady, rifle-like shot placement and greater comfort while set-up and waiting for that wary longbeard to appear. For maximum concealment, stock, fore-end, barrel and receiver are fully camouflaged with the recently introduced Mossy Oak® Obsession®, an all-terrain/all-season pattern. The 23-inch Rem™ Choke barrel, with Turkey Super Full choke tube, is equipped with light-gathering TruGlo™ fiber-optic adjustable rifle sights for accurate shot placement in all light conditions. This powerful 12-gauge pump action is capable of handling 2 3/4, 3 and 3 1/2-inch shotshells and features the revolutionary R3™ Recoil Pad which significantly reduces the felt recoil of this magnum powered Model 870. Completing the package is a Cordura® nylon camouflaged sling, swivels and studs.

With the addition of this Thumbhole version to the Model 870 line-up, Remington continues to offer hunters the most expansive line of specially-designed turkey shotguns including youth, 20-gauge and 10-gauge packages. Suggested retail pricing for the new **Model 870 Special Purpose-Turkey Super Magnum Thumbhole Camo** shotgun is \$615.
