Subject: 2005 Remington Firearms Press Releases

Per a request from Todd Smith, I am forwarding the 2005 Remington firearms offerings. This information is not for general release until December 1, 2004.

Eddie Stevenson will be forwarding the ammunition releases and you will also receive a packet in the mail next week with CD images, Spartan product offerings and new LE/Military products.

Our annual press kit, covering these new product offerings will be mailed in late November.
